WHAT WE'RE ABOUT

Why not take the best possible ingredients;
New England seafood and the finest Native
vegetables, and create great soups that can
be enjoyed in our quaint, Cape Cod style Cafe
setting. Our food can also be taken to-go in
individual and family-sized containers. We
offer fresh salads to be eaten as a meal or
as a complement with any of our soups. And,
Oh yeah: freshly baked Popovers! We bake
popovers around the clock and we are
confident that you will enjoy them so much
that they will become a favorite with you
and your family. Our most prized soup recipe
is our New England Seafood Chowder. We
offer many other homemade favorites such as
Lobster Bisque, Turkey Chili, Chicken Noodle,
Cream of Hatfield Asparagus, Native Sweet

Corn Chowder & More!
